CARE ENOUGH TO SHARE

CARE ENOUGH TO SHARE

Dear Valuable Patient,

Thank you for choosing In TLC Dentistry for the dental care of you and your family. Our goal has always been to provide you with the highest quality dental care in the friendliest, most caring way possible.

We hope the care you received by our dental team will inspire you to share us with your friends and family. Our practice continues to grow because of the referrals of caring patients like you. That is why we have established our CARE ENOUGH TO SHARE program to thank you in a special way. This allows you, your friends, and family to save money on dental work.

Please visit us online
for more details:

Here is how the CARE ENOUGH TO SHARE program works:

1. Write your name and address on the attached **\$50** referral certificate.
2. Give it to a friend , neighbor, coworker or family member who has never visited our practice.
3. This certificate will give them a **\$50** discount on their first treatment. (Exam, Cleaning & X-Ray are not applicable).
4. When they redeem their certificate, we will thank you with a **\$50 Dental Care Certificate**, sent to you in the mail.

There is no limit to the number of **\$50 Dental Care Certificates** you can use. Bring them in on your next visit and apply them toward routine dental treatment.

Running out of referral coupons? No problem, you can print out extra coupons from our website. We hope you care enough to share. Thank you.

Every person that you refer receives this \$50 certificate to use on their next dental visit.
